

#CircularCanada Challenge

October 2025: Play the Circular Canada Bingo Challenge!

Complete as many squares as you can related to each program theme for a fun way to take action and support the circular economy.

B	I	N	G	O	BONUS
Construction	Textiles	Electronics	Plastics	Food	Share, repair, reuse
Research local green home retrofit grants 	Swap a garment with someone 	Pledge to avoid unnecessary device upgrades 	Refuse a single-use item 	Make a meal plan and avoid buying excess groceries 	Show your efforts to share, reuse or repair on social media #CircularCanada 
Need a new tool for a construction project? Borrow or rent 	Commit to not buying new clothes for all of October 	Unplug electronics not in use to limit phantom energy use 	Choose a restaurant or store that offers reuse for takeout 	Compost food waste at home 	Organize or attend a clothing swap with friends or a local group 
Winter-proof your home to save energy on heating 	Spend an hour learning to sew 	Bring old electronics to a e-recycling drop off 	Visit a refillery or bulk store 	Make a meal using food scraps or get creative with leftovers 	Fix something for someone else 
Try a DIY project using materials around your home 	Obtain a secondhand Halloween costume 	Replace disposable batteries at home with re-chargeable 	Pack reusables with you 	Donate excess shelf-stable food 	Give away or resell an unwanted item 
Donate unwanted renovation material to 'Buy Nothing' page or re-store 	Repair a piece of clothing 	Donate old devices 	Pick up 3 pieces of plastic waste outside 	Use pumpkin scraps in a meal 	Use shared transportation (bus, bike or scooter) 

Play solo or team up with friends—and don't forget to submit your results at circulareconomymonth.ca/october-challenge
